At Your Service!

For Temporary, Permanent or "Temp to Perm" Positions

Established in 1989 Bamford Contract Services' focus is to build long-term relationships with our Clients. This we achieve by providing an excellent, Cost Effective Service, with results to match. Our primary catchment area is the Northwest but we are able to cover most areas of the UK to order.

Our Clients are from both Public & Private Sectors - ranging from Local Authority & social housing ALMO's to nationwide blue chip commercial, housing and shopfitting contractors to small family firms.

Our Dedicated Account Managers work closely with our Clients, ensuring that they have a firm understanding of individual requirements.

Our professional, REC trained recruiters work as a team, channelling all company resources into filling positions with the most suitable people available. We treat each and every call with equal importance and there is always someone available to answer your queries in a prompt and professional manner. All of this, together with our stringent candidate vetting procedures, serves to help us to deliver an outstanding level of customer service ... every time.
